pencil

pen

ruler

compass

colored pencils

packing tape

scissors

paper

pencil sharpener

products

equilateral triangle

square

golden rectangle

pentagon

Penrose tiles

small pentagon

hexagon

Begin
with a point:

a single dot drawn with a pen.

Then draw two, and draw a line
through them:

Now draw another point, draw a
circle around it with the compass,
and ink over it with a pen to make it
dark:
